

The
Limestone
Collection

WELCOME TO ALLWOOD

Welcome to Allwood Fireplaces, a leading Manufacturer and Supplier of Portuguese Limestone Fireplaces for over 20 years.

Browsing through the brochure you will find a unique collection of Contemporary, Modern and Classic designs, manufactured to the highest quality.

Limestone has been one of the main building blocks of civilisation for thousands of years. Its honest texture, soft tones and satisfying solidity make it a versatile choice for all styles of fireplace and every type of interior, from classic to contemporary.

Portuguese Limestone is a beautiful, natural material and its variation of shading, veining, fossils and crystal markings make each product truly unique and individual.

Our fireplaces are created within our manufacturing facility utilizing stone from our quarry in Portugal to the highest quality and standards of workmanship. We take great pride in the design and manufacture in order to create a stunning range of fireplaces that work in harmony with a wide choice of fires and fuel types.

With our own unique designs and unparalleled quality, we are confident that you would agree our fireplaces would enhance your room with natural beauty and warmth to create a truly imperious focal point to be admired.

With its neutral colour, it is an ideal choice for making decorating and choice of room furnishings simple for years to come.

Bespoke Service

Any of the Limestone designs shown in this brochure can be customized to suit your individual requirements, for example, a change in hearth size to suit a carpet cut out, making deeper to suit certain fires or having sensor lights, made taller, shorter or wider.

We also offer made to measure slips in a variety of stones and colours to suit all different makes, types and sizes of gas and electric fires and solid fuel appliances.

Limestone chambers and slip sets for stoves are also available. Please note that any special sizes and alternations will need to be manufactured and these may take a little longer to deliver.

designed for living

AVIERO

Size: 54"
 Shown in: Limestone with 4 Piece Storm Grey Slip Set
 Shown with: LED Sensor Lights
 Rebate: 25mm

Slip
 Options:

	Limestone		Ethereal
	Laguna		Storm Grey

MANCHESTER

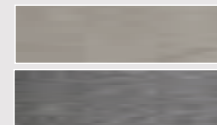

Size: 54" or 58"
Shown in: Limestone

© All designs produced by Allwood Fireplaces Limited is Copyright Protected. Allwood Fireplaces follow a policy of continuous product improvement and reserve the right to change specification, materials, colours, prices and discontinue products without prior notification. All sizes are approximate. The Colours reproduced in this brochure may vary slightly from the actual product colour due to the limitations of the printing process. Similarly, the colours of our product range are also subject to variation in finish due to the natural materials. Customers are advised to view fireplaces and samples at their fireplace stockist. Images used are for illustrative purposes only. All our Limestone collection is manufactured from natural Portuguese limestone and as such natural variations will occur. This will include shading, veining, fossils crystal markings and calcite lines. This is the beauty of a natural stone product which sets it apart from any mass-produced man-made counterpart. It is strongly recommended that your chosen fireplace stockist surveys your chimney and any relevant items before purchasing any of our products. It is advised that when the fireplace has fully dried after installation, that all surfaces are sealed with a sealer. Ask your fireplace stockist for advice. All Allwood products should be inspected before installation, for quality and damage. No refunds can be given after this event. Your fireplace is made up of several different components and it is important to ensure that your installer has the necessary experience to fit all the components, and to comply with all relevant building regulations and any rules in force.
