Marble & Granite

WELCOME

Qasim marble and granite have been manufacturing in creating marble products since 2004.

We are a family enterprise and have a professional dedicated team that develops and continue to increase on delivering elegant marble designs and masterpieces of fireplaces.

Our majestic marble materials are acquired from all over the world and continue to research new materials .

We have adapted to the increasing demand of perfection and quality therefore using pioneering machinery to optimise the quality and finish of our Fireplace Range.

The expansion of our product range are manufactured in our workshops Batley West Yorkshire .

We offer a complete Bespoke service which involves high degree of expertise personalisation attention to detail and flexibility to ensure that the customer needs are met in the most effective and efficient way possible.

Delivery of our products are in our own vehicles to ensure the safety and care. Additionally no extra charge for LED down lights or strip lights, this also goes with no extra charge for slightly bigger hearth to cover existing carpet cut out. Delivery of our products within 2 weeks

Thank you for giving us the opportunity to deliver our products and service we greatly appreciate your business.

16" & 22" INSET ELECTRIC FIRES

New SAHARA 16" ELECTRIC FIRE

Shown with Premium XL Contemporary Fascia
520 Width x 620 Height x 75mm depth

New SAHARA 22" ELECTRIC FIRE

Shown with Premium XL Contemporary Fascia
670 Width x 620 Height x 75mm Depth

The Sahara features etronic effect technology and mirrored glass for an ultra-realistic, relaxing flame pattern. The new slimline heater has been neatly disguised at the top of the flame screen meaning that there is no need for a canopy. This new canopy-less design provides an uninterrupted view of the flame pattern whilst still delivering 1-2kW of heat.

- Etronic Flame Technology with Log Fuel Bed
- 2.0kw Output with Handheld Remote Control
- Adjustable Flame & Fuel Bed Brightness

- Year 1. Warranty For Parts & Labour
- Year 2. Warranty For Parts Only
- Thermostatically controlled (1-2kw) ultra quiet fan heater and 7 day programmer
